Subject: Announcement of Non-Profit Organization Closure

Dear Beloved Seniors of Reid Temple Seniors Services, Inc.

It is with a heavy heart that we share the news of the closure of Reid Temple Senior Services, Inc (RTSS). This letter to express our deepest gratitude for your unwavering support throughout the 10+ years and to provide an explanation for this difficult decision.

Since our establishment RTSS has been dedicated to inspiring and nurturing the human spirit of our seniors located in the Bowie and surrounding areas. We have strived to make a positive impact, empower the senior communities, and address pressing social issues. Thanks to the generosity and commitment of individuals like you, we have accomplished numerous milestones and positively influenced the lives of many seniors.

However, despite our collective efforts, we have reached a point where sustaining the organization has become increasingly challenging. The decision to close RTSS was not taken lightly, and it followed a thorough evaluation of our financial standing, operational capabilities, and long-term sustainability.

Several factors have contributed to this difficult decision. Despite our best efforts to adapt and find alternative fiscal solutions, the challenges we faced proved insurmountable within our available resources. It is with a heavy heart that we accept the reality that we can no longer continue our operations. However, we believe that it is important to celebrate the achievements and impact we have made together. The collective efforts, collaborations, and support that characterized RTSS will forever remain a testament to what can be achieved when a community comes together for a common cause.

As we move towards the closure process, we want to express our sincerest appreciation to every one of you. Whether you volunteered your time, made financial contributions, advocated for our cause, or simply prayed, your support has been invaluable. It is because of you that we were able to make a difference in the lives of countless individuals.

To ensure a smooth transition, we have developed a plan to responsibly wind down our operations. We will work diligently to tie up any loose ends, ensuring that our legacy is honored and that the impact we sought to create lives on.

Once again, we extend our deepest gratitude for your unwavering support and belief in our mission. Together, we have accomplished great things.

With heartfelt appreciation,
